To Whom It May Concern:

Please allow this letter to serve as a recommendation to contract With **SkyShades** USA for your establishments shade structure needs.

The appearance of our center has been greatly enhanced with the addition of The **SkyShades** walkway and the playground structure. Not only do they look extremely inviting, it is a great benefit to the children, families and staff because of the protection it provides from the sun and other elements we encounter in Florida. Parents and potential clients often comment on how impressed they are.

Joe McKenna and his team were very professional and real pleasure to work with. My favorite part is the unique design and color scheme which Joe patiently assisted through multiple decision changes!

You won't go wrong with a decision to work with **SkyShades**.

Sincerely,

Christy Delk-Owner/President
